

# 1<sup>ST</sup> Sunningdale Scout Troop

2008

In previous years I have started by speaking about the past years activities, but this year has been a bit different and I would like to start by thanking a few people, because without them, I would not be able to run scouts.

Dominic has supported as A.S.L and we had the help of Alex Christensen who is one of my original invested scouts and is helping out as part of his D.O.E gold award, so a big thank you to both of them.

The challenge this past year for those that don't know is that since September I have been on kidney dialysis and I am trying to make it fit into my scouting because as most people know I am passionate about getting out and camping. This situation has made it difficult to arrange with the scouts.

For the coming year Sunningdale scouts have plenty on the calendar, with ourselves and through the district leadership, who are putting on some exciting events.

I will finish up by saying that we have a good attendance on our Thursday nights, but I would love to see a few more faces at our other activities, also it would be appreciated if we could have some parents to help the scouts, either by taking charge of our subs, or being involved on the committee and if you're really brave you could always join the leaders!!
